

Introducing

# Soleil & Soleil Textures

THIBAUT

Inspired by resort living;  
designed to withstand  
life at home.

The eye-catching patterns of Soleil include spirited patterns, bold multi-color stripes and a botanical print. The lively yet versatile palettes are supported with luxurious velvet, clever companions, and textures in Soleil Textures. All are bleach cleanable and fade-resistant for use indoors and out.

TEXTURES

# Trelliage

5 COLORWAYS / WOVEN

The dimensional arbor of Trelliage is created with chenille over a railroaded, color-blocked stripe. While this style of latticework originated in early French garden architecture, our artwork was sourced from the Thibaut archives circa 1971.

# Trelliage

5 COLORWAYS

# Bistro

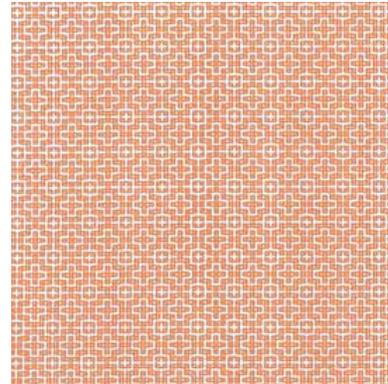

5 COLORWAYS / WOVEN

Rendered in crisp white over bright colors, Bistro is evocative of café chairs in a Parisian market. This clever use of materials draws on techniques utilized in woven structures created on hand looms.

# Piña Colada

5 COLORWAYS / WOVEN

In early America, pineapples were a symbol of hospitality. On a warm weather vacation, there is nothing like a Piña Colada to welcome one to a leisurely life on the islands. We welcome this novelty fabric to our line as our first outdoor embroidery featuring crisp coverage on a heathered heavy texture.
