Pillows in Ebro Stripe & Saraband  
DeCamp Lune Sofa from McKinnon and Harris*

# What is solution dyed acrylic?

Color is intrinsic to the creation of solution dyed acrylic fibers whereas traditional dyeing methods only add color to the surface of the yarn. As a result, performance is integral to the fabrics and it's attributes will not diminish with use, light, exposure, or time..

## Why you'll love it

We evaluate performance against four attributes. Thibaut's solution dyed acrylic checks all of the boxes.

REPELLENCY	DURABILITY	CLEANABILITY	FADE RESISTANCE
 STAIN RESISTANT	15,000+ MEETS OR EXCEEDS 15,000 DOUBLE RUBS	 WICK AWAY WITH A TOWEL	 2600+ LIGHT HOURS
 WATER REPELLENT	 FRAME READY- NO ADDITIONAL BACKING REQUIRED	 BLEACH CLEANABLE	 INTENSE LIGHT, EXTREME HUMIDITY
 MOLD & MILDEW RESISTANT	 FLAMMABILITY: PASSES CAL TB 117	 MACHINE WASHABLE	5 5-YEAR LIMITED WARRANTY

# Where to use it

PERFORMANCE WHERE YOU NEED IT MOST

Thibaut Outdoor Performance Fabrics are perfect for indoor and outdoor use. Ideal for use anywhere exposure to intense light and cleanability are top priority.
